

GOING GREEN WORKSHOP SERIES REGISTRATION FORMS

>>> GOING GREEN WITH THE GRAND HOUSE is a series of free workshops and lectures on sustainable building, design and technologies! Complete workshop descriptions, including times, instructors and locations, are posted on the Grand House website: www.wacsa.org/grandhouse

>>> As there are only a certain amount of spaces available for workshops, pre-registration is limited to four workshops per person. If you are interested in attending more workshops, please contact Laird, workshop coordinator, at the Grand House Coop at ghcoop@gmail.com.

PLEASE REGISTER FOR WORKSHOPS ONLY IF YOU ARE COMMITTED TO ATTENDING.
